

Towards New Dimensions

Walt Disney Animation Studios - Exploring Music

Music and songs play an important role in Disney animated films.
Choose a song and explain what it adds to the story.

Song: _____

Film: _____

Where does the song come in the film story and who sings it?	
What are the words (the lyrics) about?	
Does the song tell you more about the character who sings it? Explain.	

<p>Does the song have a message? Explain.</p>	
<p>What else does the song add to the story?</p>	
<p>Describe the sound of the song – is the tune lively, loud, sweet? What kind of beat or rhythm does it have?</p>	
<p>What does the song add to the visual story being told in the animation?</p>
