

Bringing People Together

Scene Response: Learn more about film language

Film _____

Scene _____

Response Choose words to explain how the scene made you feel what it made you think about	Mise en scene Describe everything you see in the scene. Think about characters, setting, colour, shapes, textures and light

Characters

How do the characters look and sound?
What stands out about them?

Shot choice

Watch the scene again and notice the different shots used (close ups of faces, long shots of whole bodies etc.). Choose two shots and explain what they communicate.

Editing

How do the characters look and sound?
What stands out about them?

Soundtrack

What can you hear? Think about sound effects, voices, silence and music.
What does the soundtrack add to the visuals?
