

## Design your own comical character

### Keep it simple!

<p>Draw your character's head and body.</p> <p>Think about shape, colour and size.</p>	
<p>Draw your character's face.</p> <p>What stands out?</p>	

<p><b>Add funny expressions, gestures and movements.</b></p> <p><b>How do you show your character's personality?</b></p>	
<p><b>Standout feature.</b></p> <p><b>What makes this character special?</b></p>
